

Key Stage One RE

Uganda and Christian charities

Without water people can't drink, wash, stay clean or grow crops. Uganda is one of the poorest countries in the world and one in every four people in the country do not have access to clean water. CAFOD are a **Christian charity** that works in Uganda

- **Watch the video about Guti** in Uganda: <https://cafod.org.uk/Education/Primary-teaching-resources/Water> How have **CAFOD** helped Guti?
- **Count how many taps you have in your home.** Imagine what life would be like without them? Can you draw a bucket in your workbook and describe how it would be different?
- As Christians, CAFOD want stand together with everyone in the world. They believe that all people are the children of God and that Jesus asked people to think especially about the poorest people in the world. Can you make a poster from CAFOD to explain why people in Uganda need clean water? Can you mention why Christians might think this is important?
