

Key Stage Two RE

Uganda and clean water

Water is a basic human right, which means we should all have it. Without water people can't drink, wash, stay clean or grow crops. Uganda is one of the poorest countries in the world, and one in every four people in the country do not have access to clean water. CAFOD are a **Christian charity** that works in Uganda

- **Watch the video about Guti** in Uganda: <https://cafod.org.uk/Education/Primary-teaching-resources/Water> How have **CAFOD** helped Guti?
- **Jesus** said, 'For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink'.... The disciples said, 'When did we see you hungry and feed you, or thirsty and give you something to drink?' Jesus said, 'When you did it for the least of my brothers, you did it for me.'
- In your workbooks can you use the information to make a poster to persuade Christians to help people in Uganda. What are the problems with water there? How does it impact on people's lives? Try to answer the question: **Why would Christians in Bristol care about giving clean water to people in Uganda?** Can you make a link to what Jesus said?
